

IMECHE ANNUAL MEETING – 23 MAY 2024

Update:

The Annual Meeting of the Institution of Mechanical Engineers will be held online on Thursday 23 May 2024.

Annual Meeting at 12:00hrs (BST)

The virtual Annual Meeting of the Institution will be held on 23 May 2024.

As you will know from the recent Annual Meeting notice, there have been delays in finalising our 2023 Annual Report and Accounts. Part of the reason for this relates to an error in the 2022 accounts which involved a loan write-off of £842k associated with a historical trading entity. We are putting this right by reversing the amounts involved but this requires extensive additional work. The presentation of the Trustees' Report and Annual Accounts, together with the appointment of the Auditors, will be adjourned and addressed at a continuation of this Annual Meeting to be held on a date for which, in accordance with IMechE By-law 70.3, full notification will be given in due course.

Consequently, the business of the Annual Meeting will be the announcement of the results of the Trustee Board and Council Elections and the handover to the new President.

Only Corporate Members and Associate Members of the Institution are entitled to participate in the business of the Annual Meeting. Other members may attend as observers but are not entitled to be heard or to vote (By-law 38). Proxy Votes will be accepted.

The meeting will be accessible 60 minutes before the start of the Annual Meeting. For further information on how to use the site, please contact support@mi-voice.com

Further details are available on our website: [**Annual Meeting - IMechE**](#)
