About this form

Use this form to transfer between MPDS accredited organisations.

Eligibility

For graduates on MPDS transferring from one accredited organisation to another accredited organisation.

PLEASE NOTE - For those changing to a non-accredited organisation you may wish to join the **Supported Registration Scheme**. This scheme is designed for organisations where an accredited MPDS is not in place. It provides a disciplined and regular reporting framework that's aligned to the five EngC UK-SPEC competence areas. Further information can be found at www.imeche.org/srs

Graduates returning to MPDS after completing their undergraduate studies should complete a new MPDS registration form.
